msbapm@business.uconn.edu

Greetings!

Thank you for your interest in our graduate business programs at the University of Connecticut School of Business. Ranked among the best in the world, UConn's graduate programs offer you a progressive, comprehensive business education to enable you and other future business leaders to anticipate and effectively manage the many challenges encountered in today's rapidly-changing world economy.

Guided by a commitment for global recognition as a provider of exceptional managerial education and business leadership, UConn's graduate programs are carefully designed and developed with active involvement from our alumni and advisors in the business community. Our goal is to ensure that our graduates are fully prepared and competitively positioned for successful careers.

As you research and evaluate your options for advanced study, I encourage you to attend one of our infosessions, or to stop by one of our program offices for a personal visit. After you experience the School of Business and learn more about all we have to offer, I'm confident you'll agree that UConn can provide you with a challenging, highly-differentiated, and affordably-priced business education that will provide the foundation for an exceptional future.

Sincerely,

John A. Elliott, Ph.D.

Dean & Auran J. Fox Chair in Business

Academic Excellence

UConn's MS in Business Analytics and Project Management (MSBAPM) program is designed to meet the growing demand for professionals who can harness advanced business analytics and project management skills. Apply today to get the critical skills to address existing business problems and create new opportunities for small to global enterprises in information-rich environments.

Rankings

UConn's MSBAPM program is recently ranked among the very best Master programs worldwide. The program is ranked #19 by Eduniversal (2015-2016) among Masters and MBA programs worldwide. The Financial Engineer has ranked the program in the top 20 MSBA programs (2016).

Faculty

The MSBAPM program is designed and delivered by Department of Operations and Information Management (OPIM) faculty currently ranked 7th world-wide in research excellence by the Association of Information Systems.

Location

The MSBAPM program is offered in Hartford or Stamford Connecticut.

Hartford campus classes are held at UConn's Graduate Business Learning Center (GBLC), which is located in the heart of downtown Hartford at 100 Constitution Plaza. Conveniently situated at the intersection of I-91 and I-84, the GBLC offers the latest in design, technology and comfort, including fully networked classrooms, break-out rooms, technology labs, and meeting spaces. Secure parking is available in a garage which enters directly into the building.

Stamford campus classes are held at the UConn Stamford campus at 1 University Place, Stamford, Connecticut.

A Tradition of Excellence

Founded in 1941, the UConn School of Business has evolved into one of the most comprehensive business schools in the nation. Continuously accredited by AACSB International since 1958, the UConn business school also ranks among the top 5% of business schools worldwide and is considered one of the best in the Northeast.
